Fabretto Child Sponsorship Ambassador Program

Bring hope and opportunity to more children in Nicaragua as a Child Sponsorship Ambassador!

As a Child Sponsor, you have seen first hand the positive impact that sponsorship has on the lives of children in Nicaragua. We invite you to become a Child Sponsorship Ambassador and use your testimony and passion to connect new sponsors to children in need. By sharing your story and promoting sponsorship in your community, you can help us expand our reach and support more children in Nicaragua with life-changing education and nutrition programs.

Phelps Wood, long time Fabretto supporter is assuming a volunteer leadership role to help us establish this permanent, long term Child Sponsorship Ambassador Network. For more information, you may contact Phelps at ambassador@fabretto.org.

Ways to Participate

We've put together a list of ways that you can promote sponsorship in your community as a Child Sponsorship Ambassador. Feel free to contact us at any time for resources, support, or more ideas.

Tell Your Sponsorship Story

Your greatest resource is your sponsorship experience! Tell your story to your circles of influences--friends, coworkers, family--and ask them to join you in supporting children in Nicaragua. As you participate in any of the activities below, make sure to share your firsthand perspective as a current sponsor.

Host a Sponsorship Party

Host an event to promote Child Sponsorship in your community with your office, faith organization, community group, or circle of friends.

Invite Friends to Fabretto Events

Bring friends and family to one of our annual Night for Niños events, where they can learn more about Fabretto's work and opportunities to sponsor a child.

Give Information

Distribute brochures, share our website with friends, and help raise awareness about Fabretto's work in your community.

Share Sponsorship on Social Media

Follow us on your favorite social media platforms--Facebook, Twitter, Pinterest, LinkedIn, Instagram--and share our posts with your networks.

Program Details

We know that outreach is hard work, and we want you to know how much your effort and dedication means to us, and, more importantly, to the children Fabretto supports in Nicaragua.

When you connect a new sponsor to our program, please ask them to mention your name as they enroll (either on the online form or via e-mail), or you can inform us of the referral. All Child Sponsorship Ambassadors will receive a special mention on our Annual Report and will be awarded different prizes depending on the number of new child sponsors recruited to the program.

For example:

- **5 new sponsors** = 1 ticket to Night for Niños in a city near you
- **10 new sponsors** = 2 tickets to Night for Niños
- **15 new sponsors** = 1 spot on Friends of Fabretto trip to Nicaragua (\$1,000 per participant exclusive of airfare)
- **More than 25** = 2 spots on Friends of Fabretto trip to Nicaragua (\$1,000 per participant exclusive of airfare)

Can you think of any family or friends that may want to become Child Sponsors? You have the power to inspire them! Become a Child Sponsorship Ambassador and share your experience as a child sponsor [here](#).

Getting Started
